

The « Nano & Micro Environment for Cell Biology» events:

- A first successful Workshop last 25 November 2010
- A prestigious seminar by Michael SHEETZ on 29 April 2011
- An enthusiastic “poster day” with 4 plenary talks, one poster and **3 poster Prizes (iPod nano)**
- Today: **Jason A. Burdick from University of Pennsylvania**

..... What is next ?

2nd « Nano & Micro Environment for Cell Biology» Workshop
on **15 December 2011 – save the date!**

Organizing committee

- Catherine PICART (LMGP, Grenoble-INP)
 - Emmanuelle PLANUS (IAB, UJF)
 - Martial BALLAND (LIPhy, UJF)
 - Laurent BLANCHOIN (iRTSV, CNRS)
- Franz BRUCKERT (CoPil de la Fondation Nanosciences)
